

RETRO KITCHEN SCALE
ASSEMBLY INSTRUCTIONS

PARTS & COMPONENTS

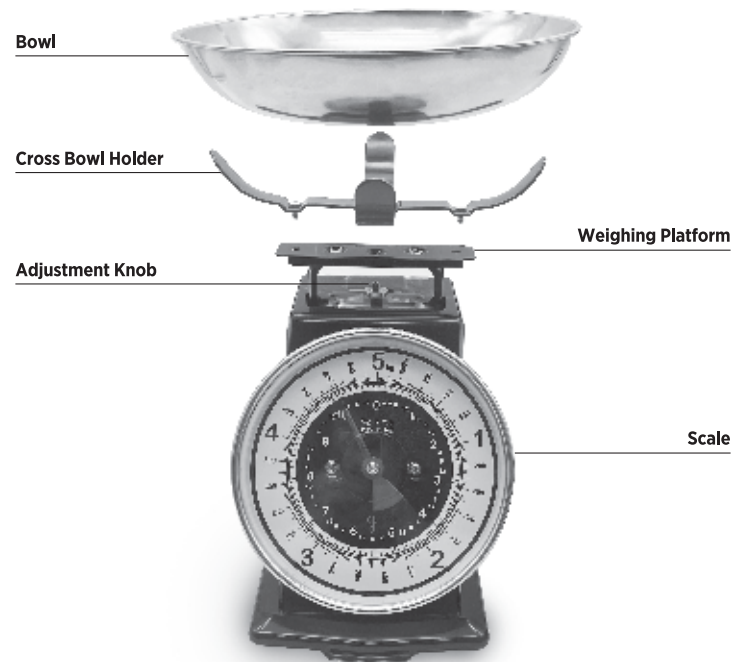

Bowl

Cross Bowl Holder

Adjustment Knob

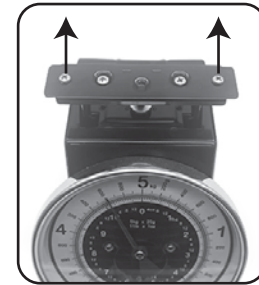

Weighing Platform

Scale

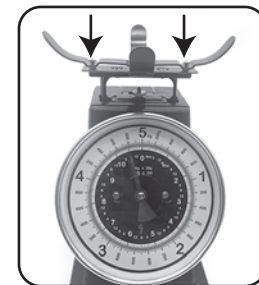

ASSEMBLY

1. Place the scale on a flat and solid surface.
2. Cut the ties under the weighing platform to remove the protective cardboard.
3. Unscrew the screws located at the outermost holes on the weighing platform of the scale.
Set screws and nuts aside.

1. Place the cross bowl holder on the scale.
Insert the screws and tighten them with the nuts.
Note: It is very important to align the holes of the cross bowl holder with those on the weighing platform of the balance.

2. Place the bowl on the cross bowl holder.
Calibrate the scale by turning the adjustment knob on top of the scale until the needle indicates "5 kg / 0 lb".

ADVISE FOR USE & CARE

1. Always use the scale on a hard flat surface.
2. Clean the scale with a slightly damp cloth.
3. Avoid contact with water. DO NOT immerse the scale in water.
4. All plastic parts should be cleaned immediately after contact with fat, spices, vinegar and strongly flavored/colored food. Avoid contact with acid citrus juices.
5. DO NOT use chemical or abrasive cleaning agents.
6. Not for commercial use.
